A sweet Regency Romance My name is Rose Bennett and I am the governess to Duke Richard Wentworths three children, and I love them as if they were my own. The Dukes sister is set on finding him a wife this season. And if he marries, I may not only lose my position as governess and never see the dear children again, but I may also lose the man I so yearn for. Oh, I love him, I do. My knees go weak whenever he walks into the room. I yearn for him to glance at me, to brush my hand, to step closer to me. Oh, if only he would fall in love with me too, a commoner, an unfashionable woman. What to do? I will make myself over, reveal my hidden beauty, and seduce him at his ball. He will decide for me or I will lose everything. This is a short-story romance with NO cliffhanger and includes various bonus stories at the end. Enjoy!
