Sheba is keeping secrets. Seventeen
months ago she was one of the CIA's super
agents, facing down dangerous terrorists
with her partner and lover Conrad Flynn.
After a mission was blown and Conrad
died, Julia was yanked back to Langley and
given a new identity. She is now the
Counterterrorism Centers top analyst,
spending her days at CIA headquarters and
her nights in her boss's bed. Her former life
as a secret agent has been sealed off with
her heart. Former SEAL Conrad
Flynn codename Solomon has his own
secrets. For starters, he's not dead. Going
under the deepest cover possible, he faked
his own death to save Sheba's life. Now he
must tear that new life apart and ask for her
help to hunt down a traitor inside the
Agency's walls. Is Conrad a rogue
operative or a jealous ex-lover looking for
revenge? Julia must risk everything for
the man who still holds her heart in order
to decide. Drawn into a web of seduction
and betrayal, she is forced to play the spy
game of her life, flushing out an Agency
mole and stopping a hostage situation using
nothing more than her iPod and her
intuition.
