

## Calis Hurricane (Oyster Harbor Book 4)

Oyster Harbor ~ where passion and race collide Despite the racial tensions brewing in Oyster Harbor in the 1930s, three interracial couples have found love. When a hurricane blows through, will hate finally be washed away or will it grow back stronger than ever? Jonathan Carter, filled with hate from a childhood incident, cares only about keeping the Klan strong on the island. Cali Waters, still grieving for her husband who died from a Klan attack, longs to use her healing gift instead of being the Carter family cook. When a hurricane threatens the hospital Jon started to build, an injury puts his life in her hands and a chance to heal more than his flesh. Jonathan's sister, Mary, is tired of the sheltered existence she's lived since being raped. When Jimmy Clark, a black oyster shucker, rescues her during the hurricane, she heals from his gentle love. But if her brother finds out, both relationships will be put to a test fiercer than any storm.
