I Dare You! by William H. Danforth Steps To Success: Think Yourself Rich by Dr. Joseph Murphy The Habit Of Saving by Napoleon Hill The Master Key System by Charles Haanel I Dare You! by William H. Danforth I agree that a businessman should stick to business. But a proven four-fold program, plus a love for Youth, plus an inner urge-all dare me to write this book. I Dare You is for the daring few who are headed somewhere. Those afraid to Dare might as well pass it up. It will weary the lazy because it calls for immediate action. It will bore the sophisticated, and amuse the skeptics. It will antagonize others. Some will not even know what it is all about. It will not be over-popular because it calls for courage, swift and daring. But in the eyes of you, one of the priceless few, I trust will come a renewal of purpose as you read on. You can be a bigger person than you are and I am going to prove it to you. I am indebted beyond measure to Gordon M. Philpott, who has been of inestimable help in the writing and editing of I Dare You. His keen insight, his rare judgment and his frank criticisms have helped make this book a labor of love instead of a drab task. I honor him as a close associate in business, but most of all I cherish him as an understanding friend. Steps To Success: think yourself rich It is your right to be rich, you know. You're here to lead the abundant life. You are here to be happy, radiant and free. You should therefore have all the wealth you need to live a full, happy and prosperous life, of course you should. You are here to grow, expand and unfold spiritually, mentally, and materially, and professionally. You have the inalienable right to fully develop, to

express yourself in all ends. You should surround yourself with beauty and luxury. Why be satisfied with just enough to go around, when you can enjoy the riches of your subconscious mind? The Master Key System by Charles F. Haanel Charles F. Haanel was a successful business man who discovered that spiritual life is a key to success in everything you do. He proved that what is happening outside is in a direct relation to what is taking place in your consciousness. When the Master Key was published, it was one of those books that successful business men wanted out of the market. They didn't want people to read this book as its truths would help anyone to overcome limitations. He explains in very plain language how to create your own world according to your own desires in accordance with your level of discipline in attaining your goals. The rumor is that when Bill Gates was just a student, he read this book and utilized its truths. Rest is history.
