From New York Times and USA Today bestselling author Lisa Mondello... HIS DAKOTA HEART, book 7 of DAKOTA HEARTS How do you say goodbye to a love when it had no ending? Gray McKinnon has spent two years struggling with moving on when the woman he loved suffered an accident that left her in a coma and no hope of recovery. Everyone urged Gray to move on. Hes had plenty of offers to help him mend his broken heart on and off the rodeo circuit. But moving on is easier said than done when your heart belongs to someone else. At least, he thinks so until he sees Nina Hendrix again. Nina couldnt help falling in love with her big sisters cowboy any more than she could bring her sister, Jen, back from her coma. Shes kept her distance from Gray out of respect for her sister. But when her family decides to move Jen to another medical facility a few states away, she cant help but reach out to Gray, even though she has no illusions that he could love her the way she loves him. She wont let herself be just another woman passing through his life, helping him forget. But one night in his arms makes her realize there is no future for them if every time he looks at her he sees the one woman he can never have.
