

Dustins Novel (Dustin Time) (Volume 3)

Katie and Dustin have had to time travel before to right some wrongs, but that's not the answer or even an option this time around. Struggling daily to deal with devastating news delivered by a time-traveling Frank, Katie immerses herself in Dustin's latest manuscript. While trying to correct her own fate, she finds herself completely captivated with Captain Skinnard's world. She learns that their lives are intertwined with Dustin's writing far more than she could ever imagine. From innocent phrases used by her daughter to the names of children and pets, Katie is in constant amazement of the twisted pretzel of time. Enjoy the final installment in this time-traveling trilogy where you'll join Dustin and Katie in a new phase in their lives and a touch of sci-fi in Dustin's Novel.
