REVIEWS It is a great story keeps you coming back for more I couldn't put it down. I read the entire book in one weekend! Brenda (Amazon Reviewer) A Q&A with Author April M. Reign Q.You are very prolific. What's your secret for getting so much work done? A. My secret is consistency. Every day, I sit in front of my laptop and I write. I may only write 200 words (on a bad day) or 3000 words (on a good day) but there is never a day that goes by when I don't write. Q. Who are some of your favorite authors? A. I fell in love with reading at the age of fourteen. I started the series Flowers in the Attic by V.C. Andrews. That series sparked this insatiable need to read more. Over time, I've read and enjoyed books by: Nora Roberts, Stephen King, James Patterson, Sandra Brown, Jude Deveraux, And many

more. Q. Are there any new authors that have grasped your interest? A. With the increase of indie authors, there are gems everywhere. I've enjoyed books like *The Body Departed* by J.R. Rain and *Divergent* by Veronica Roth. I recently read *The Edge to Never* by J.A. Redmerski. Q. From the looks of it, you have five series and several standalone books in different genres and you're branching out into horror. Which genre do you enjoy the most? A. So far, I've written in Romance, Mystery thrillers, Sci-Fi, Urban Paranormal, and supernatural horror. Each genre has fulfilled my need to dabble in categories across the board. I don't have a favorite genre. I thrive in the elements of the story and the characters. I do have to admit, I love the adrenaline rush of writing a fast-paced fight scene.
