

## Heart on a Shoestring (The Unspoken Series) (Volume 4)

**\*\*NEW RELEASE\*\*** A story of two broken hearts melting into one beautiful story of self-discovery and romance.... Dreaming of the person you want to be is wasting the person you already are. Kurt Cobain The Unspoken Series is a 10 book series. Books 1-4 are available now. Best when read in order. What Readers Are Saying Heartbreakingly beautiful story with a slightly whimsical romance. Tear-jerker. Really emotional. Beautiful, simple, yet complicated all at the same time. Loved it. The Unspoken Series keeps getting better and better and ... better! Book 4 in the Unspoken Series *Rebelling* against a life of black and white, Miranda Ryan paints the world in a technicolor fever. She spends her free time on park benches, analyzing people from the outside in and creating whimsical stories about their lives. Unbridled and full of life, her ever-changing heart is a revolving door no man can figure out. And she likes it that way. But when Derek Rhodes enters her life, he stubbornly challenges her every move. As she unsuccessfully avoids this opinionated prankster her colors fade to gray and she is forced into a choice ... to lose the self she knows or the self she has never been. Derek Rhodes wears the same shade of brown every day and avoids eye contact with strangers, until Miranda walks into his life and splashes his world with streaks of colors he swore he'd never touch. Drawn to her imaginative personality, he finds himself questioning his own cynical nature and flat-lined ideals, only to fall in love and realize the only woman he's ever let into his heart has no plans of letting a man into hers. Follow them both as they poke and prod and test each other's limits on a journey of discovery.
