

## No Way (Spirit Creek Series Book 5)

Ada Perkins arrives in Spirit Creek, Montana, by mistake. Penniless and stranded in the small town with nothing more than several tightly kept secrets and a trunk of personal belongings, Ada accepts the position of housekeeper to the towns widowed mayor, hoping to earn sufficient funds to continue the journey to her original destination. Has fate stepped in to keep Ada in Spirit Creek for a reason? Overwhelmed with all his responsibilities, Mayor Randy Barker believes Ada could be the answer to his prayers. Although he has solved the problem of finding a housekeeper to care for his motherless children, Randy is not convinced Ada is the woman she claims to be. What is the exhausted, timid lady keeping from him? Can Ada keep a tight hold on her secrets long enough to earn her stagecoach ticket out of town? Will the Pinkerton agent Randy hired to investigate the new housekeeper turn up information on Ada that Randy could never imagine? If her secrets are revealed, Adas and Randys lives could be changed forever.
