Sometimes even true love needs a second chance. Madeline Harrison is in a heck of a bind. Her farm has failed and she's about to lose everything, including her three-year-old daughter. When she looks into becoming a mail order bride, however, she finds a lifeline in a wealthy cattleman who asks for her hand. After years of hard work and scant reward, she's ready to begin a whole new life. For Bill Parker, life in the Nebraska Territory is hard enough, and being single only makes things worse. The good news is that he's found just the right woman to take as his bride. The bad news is that she's engaged to another man.
