

The Right to a Bears Arms (A BBW Shifter Romance) (Wolf Rock Shifters Series Book 3)

Due to several steamy scenes, this book is recommended for readers 18 and over.
Zoe is a shape-changer who's got it all, even the ability to shift into different human forms. When she finds herself on the run and headed to Wolf Rock, she meets Colson, a sexy bear shifter out to protect her from herself as well as whatever it is that she's fleeing from. But the last thing she wants is another man in her life, let alone one who wants to look after her. It's just too bad that one's so damn gorgeous. Just as happiness is beginning to look like a possibility for Zoe, her world comes crashing down around her. Will the love of a good man be enough to ensure her survival? This is the third in the Wolf Rock Shifters Series, after *Winning the Alpha* and *Bearing Up in Wolf Rock*.
