

Love & Justice - Asher (BWWM Interracial Romance) (Duvall Brothers Book 2)

Sometimes your word isnt enough... Asher Duvall, former MMA champion and the oldest son in the Duvall clan, has been implicated as the only suspect in a crime he didnt commit. Now everything hinges on uncovering the truth. His family, his reputation, and the caramel-skinned beauty hes been with since he was a teenager. Will Asher clear his name or lose it all? And what brutal truths will he uncover along the way?... **AUTHORS NOTE:** Love & Justice - Asher is the second novella length (17,000 word) book in Cherishs Duvall Brothers series. Lots of twists and turns. Guaranteed HEA when all is said and done. Reader discretion is strongly advised due to scenes of an explicit sexual nature. Please be aware that Logan and Justices arc from the first novella is touched on in this one but continued more in-depth in book #3.
