

Stephan (Caveman Instinct --- Gypsy Curse Book 1)

This is a rerelease Stephan I always thought the gypsies cursed my family centuries ago, but most members of my family feel different, they say we were gifted with prosperity and the ability to know our soul mate. Great, you say, well they forgot to mention when we find our soul mate we turn into possessive cavemen.

I never wanted the curse to get me. I was happy with my privileged life, a new woman every night and no one ever saying no to me. I had my life planned out just how I wanted it. That was until I saw her Jade Black. I knew from the moment I laid eyes on Jade she was mine. My soul mate. The problem is Im having trouble convincing her. Jade Im so close to freedom, to being eighteen and having a say in my life. Getting my Higher School Certificate, going to university, and living the life Ive always dreamed. Im so close. I blame my mother for dying, because Im not eighteen I have to either go into foster care or live with my deadbeat grandpa in Reed Creek. I choose my grandpa. I can put up with him until I graduate.
