

Indian Musical Instruments

Music is the universal language and, in that respect, all arts aspire to it. It transcends class, race and creed. Of all the arts from Asia it is the most accessible to a Western audience and to young Asians cut off from their culture in other ways. Musically, India, Pakistan and Bangladesh have a common rich heritage. The greatest variety of instruments in the world are to be found there. To meet the crying need of a multicultural multiracial society I have compiled this book for all children. D.S. BHOGAL
