

## The Shivering Sands: A mysterious and suspenseful gothic romance (Casablanca Classics)

Mystery and romance combine with deadly secrets in this Victorian gothic thriller from an internationally bestselling author. Caroline Verlainé knows something is wrong. Her sister has gone missing and no one can tell her why. The only option is to go where Roma was last seen—an estate with a deadly history. The Stacy family has lived off the Dover coast for generations, carefully navigating the treacherous quicksands nearby. But the sands aren't Caroline's biggest threat. Everyone here has a secret, especially the enigmatic young heir Napier Stacy. No matter where Caroline turns, the ground she walks is dangerous. And the closer Caroline comes to unraveling the truth, the closer she comes to sharing her sister's fate. Blending elements of historical romance and romantic suspense, *The Shivering Sands* is an exhilarating tale from the Queen of Gothic Romance. Dark and thrilling, fans of Georgette Heyer, Mary Stewart, and Daphne Du Maurier will be kept guessing in this classic story, complete with ancient ruins, family scandal, and forbidden love.
