

Sikhism: An Introduction (Introductions to Religion)

Almost from the moment, some five centuries ago, that their religion was founded in the Punjab by Guru Nanak, Sikhs have enjoyed a distinctive identity. This sense of difference, forged during Sikhisms fierce struggles with the Mughal Empire, is still symbolised by the Five Ks (panj kakar, in Punjabi), those articles of faith to which all baptised Sikhs subscribe: uncut hair bound in a turban; comb; special undergarment; iron bracelet and dagger (or kirpan) -- the unique marks of the Sikh military fraternity (the word Sikh means disciple in Punjabi). Yet for all its ongoing attachment to the religious symbols that have helped set it apart from neighboring faiths in South Asia, Sikhism amounts to far more than just signs or externals. Now the worlds fifth largest religion, with a significant diaspora especially in Britain and North America, this remarkable monotheistic tradition commands the allegiance of 25 million people, and is a global phenomenon. In her balanced appraisal, Nikky-Guninder Kaur Singh reviews the history, theology and worship of a community poised between reconciling its hereditary creeds and certainties with the fast-paced pressures of modernity. She outlines and explains the core Sikh beliefs, and explores the writings and teachings of the Ten Sikh Gurus in Sikhisms Holy Scriptures, the Sri Guru Granth Sahib (more usually called just the Granth). Further chapters explore Sikh ethics, art and architecture, and matters of gender and the place of women in the tradition. The book attractively combines the warm empathy of a Sikh with the objective insights and acute perspectives of a prominent scholar of religion.

introduction to sikhism - bahaistudies - introduction to sikhism by dr zakir naik sikhism is a non-semitic, aryan, non-vedic religion. it is a religion that has the sixth Sikhism: A Very Short Introduction introduces the practices, rituals, and festivals of this religion and highlights key threads from its history, from the Gurus and the Davis said: Quite an
