

The Queens Consorts

The Queens Consorts. Just laying eyes on one is a death sentence. So when Sari, who spent most of her life on the streets, ends up entangled in a steamy relationship with the two most forbidden men on the planet, she knows it can't end well. After a brutal attack, Sari is taken to the Sacred City, exposing her to the secret lives of the Rayians who rule in the long lost queens' absence. It's in this darkly sexual world where she first meets the legendary consorts. Too handsome and talented for their own good, Calder and Taryen have learned to trust only each other in order to survive. Bred to be feared warriors and exclusive companions to a queen, instead they're slaves to other Rayians' desires for them. Their brutal lives make the two consorts hesitant to care for Sari when she's unexpectedly dumped in their laps, but they soon discover she's different from the cruel women they're used to serving. Drawn to Sari on a soul-deep level, Calder and Taryen can't seem to stop themselves from going back for one more taste of the beautiful outsider... even when it puts the fate of the entire world in jeopardy.

A prince consort is the husband of a queen regnant who is not himself a king in his own right. In recognition of his status, a prince consort may be given a formal title. The English royal consorts were the spouses of the reigning monarchs of the Kingdom of England. He established himself as King, his wife Matilda as Queen consort, and benefited his faithful vassals from the continent. His dynasty would not, All about The Queens Consorts by Kele Moon.
