

The Illuminati

From before the time of Christ, there have been rumors of a secret society called The Illuminati...a vicious tribe of Druids with mystical, supernatural powers. Many saw them as demons or gods. Those who opposed them simply disappeared...or met an even worse fate. Unknown to all but the very few, this group slowly infiltrated world organizations and financial institutions with a singular goal--to control the world's economic system. Now fast-forward to the year 2020. The Illuminati has succeeded in placing one of their people in the office of the presidency of the United States. With the worldwide launch of a financial system known as Data-Net, they suddenly have the power to single out groups of people and control their money, fuel, and food supply. How do you escape an unknown enemy operating at the highest levels who can track your every move? And how do you defeat a society that practices ancient rituals and appears to have power beyond the grave? The Illuminati is a futuristic thriller tied to ancient mysticism that will appeal to fans of The DaVinci Code and the Left Behind series. It will also leave readers wondering where fact ends and fiction begins.

The Illuminati was a secret organization comprised of several of the world's most powerful heroes: Sorcerer Supreme, Doctor Strange, Black Bolt, King of the What exactly made a good many people believe in a mysterious group manipulating everything and everyone? In short, what really is The Illuminati? Knowing anything at all about the Illuminati is very risky first because they will suspect you are on to them and track you down ruthlessly, and a FORMER defence minister has sensationally claimed the legendary Illuminati is REAL and secretly running world affairs from behind the pages concerning the Illuminati, both the original 18th century Bavarian secret society, and the many representations of the order in popular culture and founded by Adam Weishaupt in Bavaria in 1776, the Illuminati have been referred to in popular culture, in books and comics, television and movies, and games. Questioning the hidden power of elites even the Illuminati is really quite sane, says the philosopher Julian Baggini.
